

MOTION BY MAYOR MICHAEL D. ANTONOVICH

MARCH 28, 2006

The Chief Administrative Officer's March 3, 2006 report to my motion of February 14, indicated that the Sheriff's Department is conducting an analysis of patrol and other administrative support positions department-wide and will be furnishing the Board with the results of both analyses. In a separate communication, the Sheriff's Department has indicated that indeed approximately 40 deputies, currently performing civilian duties, can be immediately assigned to patrol or custody operations upon receiving additional budgeted law enforcement technician positions.

I, THEREFORE MOVE, THAT the Board of Supervisors request that the Sheriff provide the results of the analyses of patrol and other administrative support positions to the Board on or before FY 06-07 budget deliberations.

I, FURTHER MOVE, THAT the Board of Supervisors direct the Chief Administrative Officer to include a recommendation for at least 40 additional law enforcement technicians to the Sheriff's Department in his FY 06-07 proposed budget.
